TO FIVE YEARS IN THE DEPARTMENT OF CORRECTIONS
FOR RESIDENTIAL BURGLARY**

Michael C. Carr, Jackson County State's Attorney, announced today that Timothy P. Hubbert, 25, of Carbondale, Illinois, pled guilty to one count of Residential Burglary on February 16, 2017 and was sentenced to the Illinois Department of Corrections.

On January 31, 2016, a residence in the 500 block of Mill Street in Carbondale was burglarized. Officers with the Carbondale Police Department determined that the perpetrator entered the residence through an unlocked window. Officers recovered fingerprints from the window that were analyzed by the Illinois State Police Laboratory. A forensic scientist with the laboratory found the recovered fingerprints to match those of Timothy P. Hubbert.

Hubbert was sentenced to serve five (5) years in the Illinois Department of Corrections, which will be followed by a two (2) year period of Mandatory Supervised Release. Hubbert meets the eligibility requirements to be placed in the Illinois Impact Incarceration Program through the Illinois Department of Corrections. The Impact Incarceration Program is an intervention program designed to promote lawful behavior in criminal offenders through a highly structured program of discipline.

The investigation was conducted by the Carbondale Police Department. Assistant State's Attorney Rebecca L. Blomer was responsible for the prosecution of this case.
